Point to Chinese text. Listen, read and learn Chinese effortlessly with Loqu8 iCE (iNterpret Chinese English). Our popup window shows the meaning in English. Enlarged Chinese (simplified and traditional) shows see stroke details. Phonetics (Pinyin and Bopomofo) help you to start pronouncing words accurately.

Loqu8 iCE Version 8 now offers premium voices for both Mandarin and Cantonese. Premium dictionaries provide specialized content tailored for medical, scientific, engineering and technology fields. Our all-new Settings tool give you complete control over your learning experience—even saving voice files for later review on your Windows system or mobile devices.

Experience our most comprehensive Chinese-English dictionary. From the Main window, **Lookup** any word using English, Chinese, Pinyin or any combination from the standard 113,000+ entry dictionary, any premium dictionary or your own personal dictionaries.
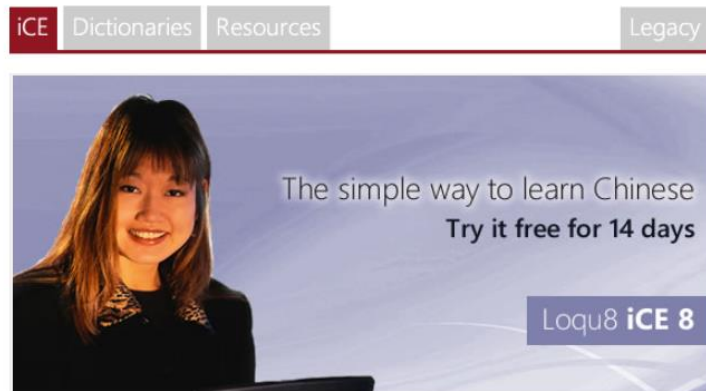

Download

Download Loqu8 iCE Learn Chinese for your Windows PC.

Loqu8 users in 179 countries depend on our revolutionary learning technologies to help them save time. With over 163 million Chinese terms explained, a whopping 84% of our users report saving at least an hour every week. Try Loqu8 iCE Learn Chinese software for yourself and experience the power of augmented learning.

Our preview version is full-featured (comparable to the iCE 8 Professional Edition).

Show All Downloads

Click **Save File**.
After downloading, click **button** to start installation wizard.

Google Chrome

🔴 icesetup_8.0.1.exe　　　　　⬇ Show all downloads...　✕

After setup has finished downloading, click **button** to start the installation wizard.

Options

Install only the capabilities you want or need.

Loqu8 iCE includes a powerful wizard that gives you several options during installation.

A. Complete (recommended)
B. Compact
C. Custom

The Custom option allows you to choose exactly which items will be installed. Re-run the wizard to add or remove any items.

Unified Chinese Fonts (simplified and traditional)
- AR PL New Sung
- AR PL Ukai

- B. Premium Chinese Voices
- Premium HuiHui, Mandarin
- Premium HanHan, Mandarin
- Premium HunYee, Cantonese

After installation, **restart** your computer.

Tip   For Professional and Ultimate Edition users, see www.loqu8.com/**resources.htm** to install your included premium dictionaries.

Tip   After installation, you may change (add or remove accessories) from the Windows Control Panel by re-running the Installation Wizard. See Uninstall section of this guide.

Enable Browsers

Add LiveScan™ support for your web browsers.
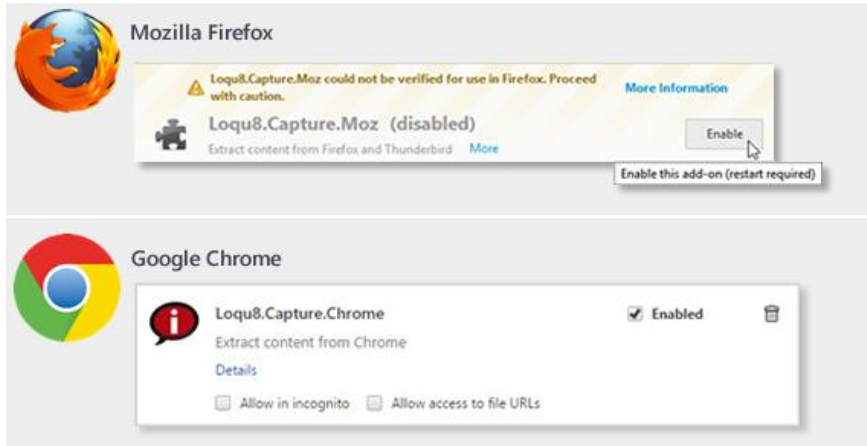

After installing Loqu8 iCE and entering your license key, enable the add-on and extension for your browsers:

• Google Chrome
• Mozilla Firefox
• Microsoft Edge and Internet Explorer: add-on or extension not required

By enabling this support, you will be able to use MDBG Chinese Reader's Scan functions.

Download Chrome Extension

Add LiveScan™ support to Google Chrome.

Google Chrome

You will need to download and enable the Loqu8 Capture extension for Google Chrome. From Chrome, open **Settings**

A. In Extensions, click **Get more extensions**
B. In the Chrome Web Store, search for **loqu8 capture**
C. Follow the on-screen instructions and enable the Loqu8.Capture.Chrome extension
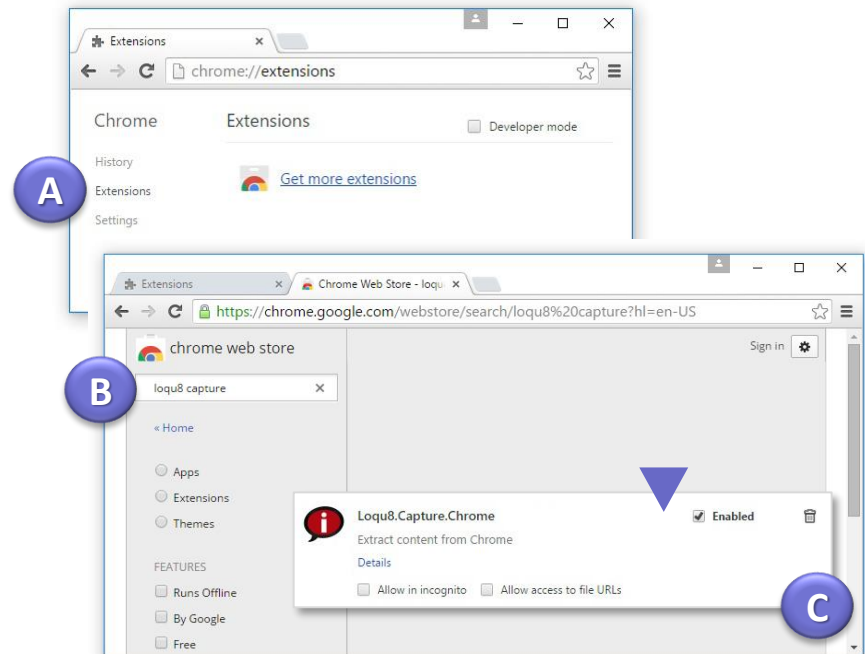

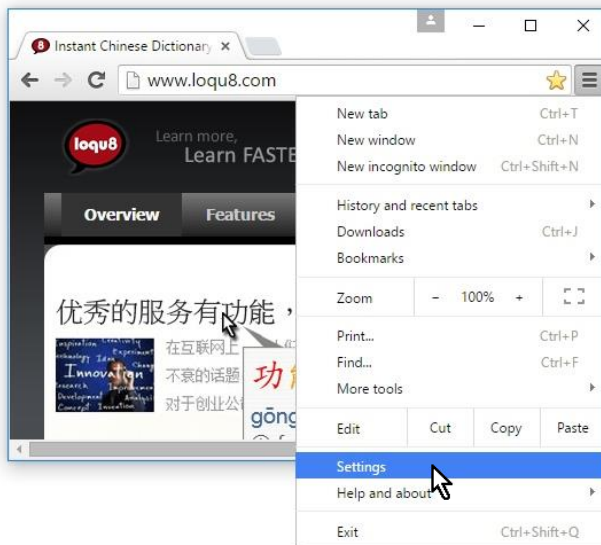

License Manager

Using your license key to activate your software.
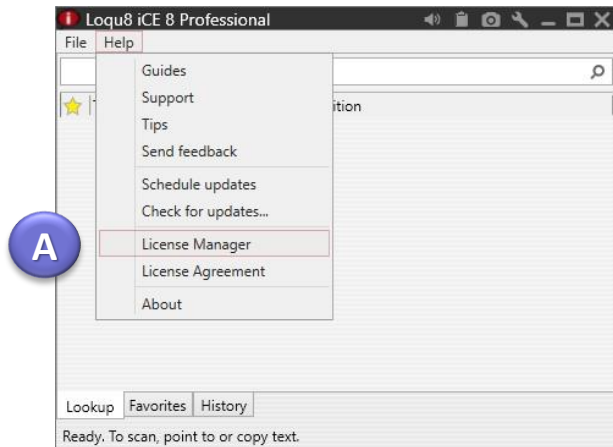

To activate your software:
A. From the iCE main window, choose Help > **License Manager**
B. From your Loqu8 License Key email*, highlight and copy (Ctrl+C) the key
C. In the License Manager, click and paste (Ctrl+V) the license key
D. After your license is activated, press Continue

*If you **do not** have an email from keys@loqu8.com:
From Help > **License Manager,** click in the box and enter your email address
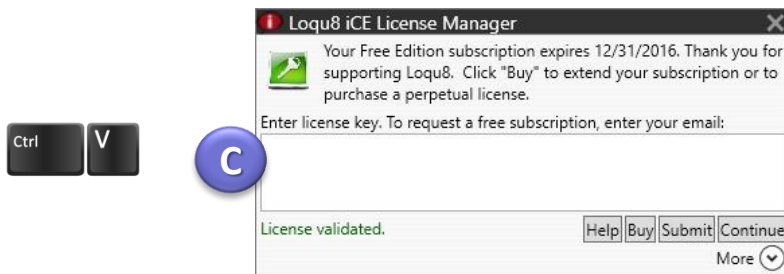

Tip   Purchase a license from http://www.loqu8.com/**buy.htm**

Loqu8 Update

Using your license key to activate your software.

After re-starting your computer, the installer for Loqu8 Update appears. (If not, select Help > Schedule Updates from the Main window.)

A. Check "Keep my computer up to date" and select the time to check for updates.
B. You will need to enter your login credentials (name and password) for this unattended operation
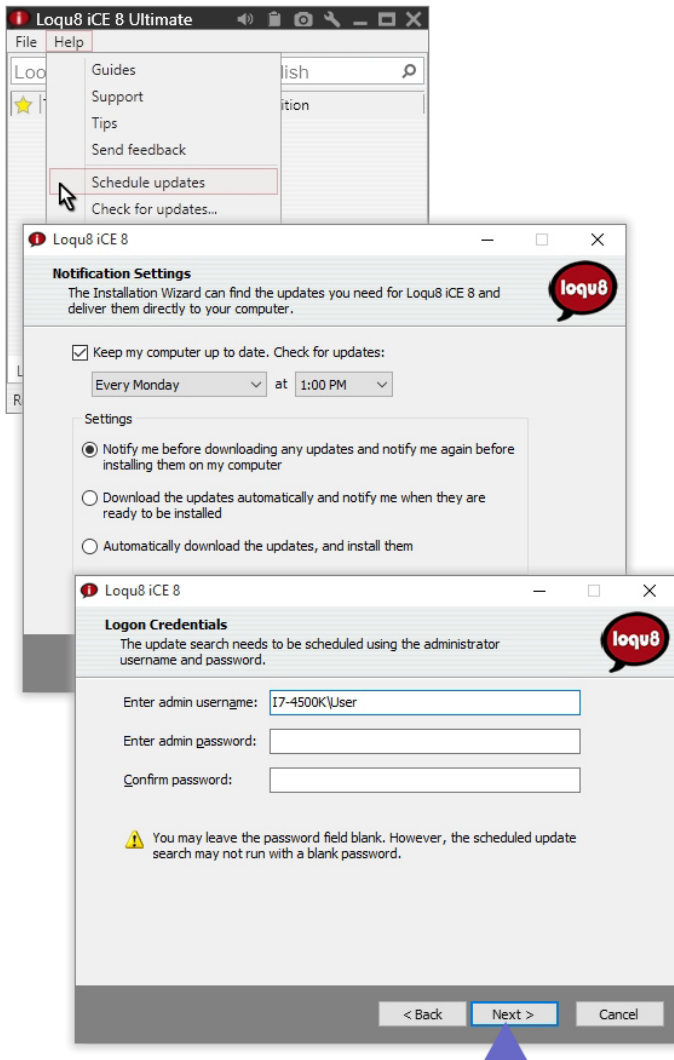

# Start

Let's begin understanding and learning Chinese.
From Start menu, choose Loqu8 iCE

Main window

Tips window

A. Start Loqu8 iCE by double-clicking the program icon on your Windows desktop or choosing it from the Windows Start menu.

B. Initially the program will start with both the Main and Tips windows.

File Help

Copy to clipboard

⭐ | Term   Pinyin / Definition

Lookup Favorites History

Ready. To scan, point to or copy text.

Tip To start using Loqu8 iCE, see www.loqu8.com/**using.htm**

Highlight

Select Chinese text to popup the **HighlightScan™** window.

Select a range of Chinese text and the HighlightScan window help you read and understand the selected text:

A. Auto-translation is a rough translation of the text using Google or Microsoft Bing services

B. RubyDefs™ adds an annotation (rubytext) to provide the most common definition for each word or phrase. Hover your mouse to see alternate meanings in the detail panel (bottom)

C. Pinyin shows phonetics for pronouncing the word(s) in Mandarin

D. The bottom panel displays details for each word or phrase chosen from the top reading and translation panel.

Select business customers
from over 179 countries

Copy

Select and copy Chinese text and understand with ClipboardScan™ window.

Select and copy using
- Ctrl+C or
- Edit > Copy

and the ClipboardScan window will open. Just like the HighlightScan window, the top panel lets you focus on reading and understanding the text you copied:

A. Auto-translation is a rough translation of the text using Google or Microsoft Bing services

B. RubyDefs™ adds an annotation (rubytext) to provide the most common definition for each word or phrase. Hover your mouse to see alternate meanings in the detail panel (bottom)

C. Pinyin shows phonetics for pronouncing the word(s) in Mandarin

D. The bottom panel displays details for each word or phrase chosen from the top reading and translation panel.

Select education and government customers
from over 179 countries

Find

Lookup the most popular 113,000+ Chinese words, names and phrases.

Lookup, Favorites and History tabs

From the main window, **Lookup** any word or phrase from CC-CEDICT, the world's most popular Chinese-English translation dictionary.

Use
- English
- Chinese characters (simplified or traditional)
- Pinyin (with or without tone numbers)

and Loqu8 iCE displays all the matching entries from its built-in Chinese-English dictionary. That's ideal for situations where the Internet connection is slow or not available.

Discover

Using right-click menu to explore and understand Chinese.

经济繁荣

Right-click menu

To explore options for interacting with the Chinese text, **right-click** inside the window:

- **Lookup** matching words and phrases from the dictionary

- **Breakdown** compound words and phrases into its components

- **WebTranslate**™ explains words through Google® and Microsoft® Bing translations services

- **Search** for web, news, images, videos and music examples

- **Pronounce** the word(s) in Chinese

- **Copy+** adds and formats the word(s) to the clipboard so they can be pasted into Microsoft Word or Excel

- **Copy from…** copies selective details so they can be pasted into another application

- **Add to/Remove from Favorites** tags/removes the entry for future reference

- **Add to/Remove from History** tags/removes the entry from history log

- **Word** opens a dialog box for you to add (or edit) entries in your personal dictionary

- **Export** and saves the entry to a file

Quick

Access popular functions with the toolbar and scan status icon.

Scan status icon
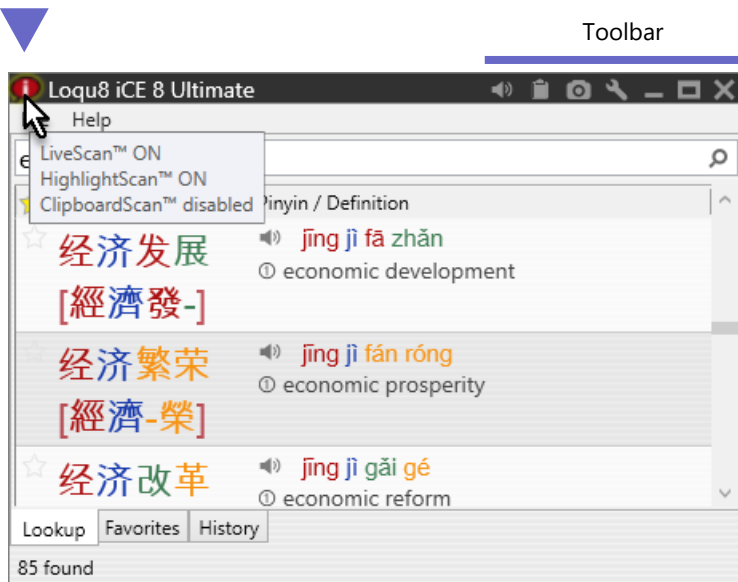

Toolbar

The toolbar provides quick access to these functions:

- **Pronounce** the word(s) in Chinese
- **Copy** to the clipboard
- **Screenshot** saves image of the window
- **Settings** menu
- **Pin** the window open
- **Close** window

Scan Status

Red: scanning mode is on
Gray: scanning mode is off
Blue: KeyGuard scanning mode is on

- **Hover**: view status of LiveScan™, HighlightScan™ and ClipboardScan™
- **Click**: toggle scanning on/off
- **Right-click**: check/un-check scanning mode
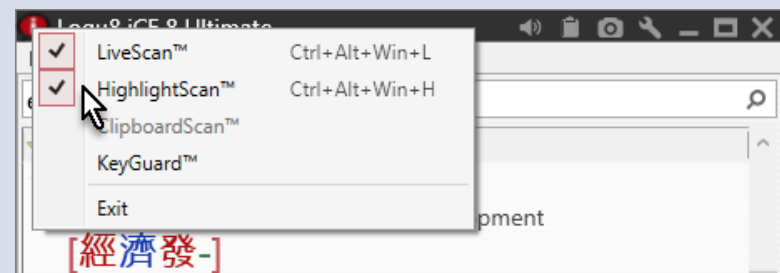

Right-click to enable/disable scan modes.

All web services subject to third-party availability. [1]Translation credits are available to subscribers each month for Google and Bing services. One credit for each character or punctuation. Google Translate supports up to 89 languages, Microsoft Bing Translator supports up to 49 languages. [2]Perpetual licenses include monthly translation credits with Standard (10K), Professional (20K) and Ultimate (50K) for the first 24 months; additional translation credits sold separately. [3]Free download for Pro and Ultimate users.

Loqu8 has an edition that's just right for you. Choose the free edition or begin a monthly subscription starting at a few dollars (USD) per month.

Not sure which one is right for you?
- Our **Standard Edition** is popular for many students and casual learners. With a premium Mandarin voice and AutoPronounce, it supports a wide range of applications at an affordable price.
- University students and business professionals choose the **Professional Edition** for its range of features (more voices, history tracking, audio clips). With powerful customization, you can even create your own dictionary or import others (Cantonese, German, French).

- The **Ultimate Edition** is the tool of choice for professional translators and serious learners will need the additional Google translation credits for more convenient side-by-side comparison of translations and other advanced features.

Best of all, Loqu8 iCE works online and **offline**. Whether you're flying at 35,000 feet or in an location with poor Internet connections, count on our built-in Chinese-English dictionary and premium voices to provide instant assistance—without a data connection.
